I-25 Bridge Work Continues October 18 Santo Domingo

Santa Fe—The New Mexico Department of Transportation (NMDOT) continues bridge rehabilitation work on I-25, mile marker 263 at Santo Domingo (bottom of La Bajada Hill) south of Santa Fe.

Starting Saturday, October 18, from 4:30 a.m. to 7:00 p.m., the I-25 northbound and southbound lanes will be reduced to one lane. The reduced lanes will be in effect until Sunday, October 19, 2014. Motorists can expect minor delays. This bridge rehabilitation project is scheduled to be completed October 19, 2014, weather permitting.

The Federal Highway Administration and NMDOT have partnered to fund the improvements. Interstate Highway Construction of Albuquerque is the contractor for this project.

Drivers are urged to proceed with caution through the work zone, observe traffic control signs and reduce speed to the posted limit. Updates on this project will be posted on the New Mexico Department of Transportation's road advisory website www.nmroads.com
