

## **Jim Harriot Joins All Traffic Solutions as Chief Financial Officer**

*Technology industry veteran brings deep experience in guiding the financial growth of emerging technology leaders to All Traffic Solutions, Inc.*

Herndon, VA and State College, PA ([PRWEB](#)) December 01, 2016 -- All Traffic Solutions, Inc., the leader in cloud based traffic management solutions for law enforcement, transportation and smart cities, announced that Jim Harriot has joined the company as Chief Financial Officer (CFO).

“We are pleased to have Jim join All Traffic Solutions as we continue to realize our vision to help organizations in law enforcement, public works, traffic management and the private sector to leverage our IoT based sensor network and Cloud-based solution to manage traffic, build intelligent transportation systems and support smart cities projects,” said Jim Weaver, Chief Executive Officer of ATS. “ATS has aggressive plans to expand our patented [TraffiCloud](#) Management Ecosystem, which allows customers to manage remote equipment using the generated data to streamline operations and achieve actionable results. Jim’s impressive record of guiding the financial growth of emerging technology leaders increases our competitive edge, and will allow us to further solidify our position as the leading provider of traffic management solutions.”

Before joining ATS, Mr. Harriot served as CFO for Grab Media (formerly Anystream/Voxant), a video software and new-media syndication company, where he was instrumental in the company’s sale to blinkx Media. During his tenure, Harriot helped manage the company through four years of growth totaling over 50%.

Prior to that, Mr. Harriot held positions with numerous technology startups including netASPx, a leading provider of managed application services that was acquired by NaviSite. “As a result of All Traffic Solutions’ drive to execute on its vision of innovation, the company is poised to redefine the strategic value of traffic safety solutions,” said Harriot. “I’m excited to join ATS as it enters an exciting phase of expansion and growth, and to serve on a seasoned executive team uniquely positioned to lead the organization as it revolutionizes the IoT world. ATS’s position as a leader in traffic safety, combined with our patented cloud based ecosystem and established customer base gives us a competitive advantage that effectively positions the firm to dominate the emerging sensor-driven transportation world— helping organizations, governments and technology providers to meet their ongoing challenges.”

Mr. Harriot holds a BSBA in Accounting and Finance from Georgetown University and is a Certified Public Accountant.

### About All Traffic Solutions

Located in State College, PA., All Traffic Solutions is consistently recognized as a leading innovator in the traffic safety industry for [radar speed](#) and [variable message](#) displays, imaging products and intelligent transportation systems, delivering groundbreaking levels of service and product capability.
