

New Artist Griz Giving Away a Harley

Griz is giving away a trip to NYC and Harley Davidson Sportster to promote his upcoming release "MyEvolution."

([PRWEB](#)) September 10, 2004 -- In celebration of his debut solo album "My Evolution," hitting stores on October 5th, Griz is giving away a Harley Davidson Sportster XL 883 in conjunction with Ragin' Grace Records and TheCelebrityCafe.com. Griz is so excited about the contest he will fly the winner and a friend to New York City to attend his record release party where he will personally deliver the motorcycle to the winner.

A child of the streets of New York after running away from home at 15, an Italian kid who became a ghetto hero, Griz is as hardcore as hardcore gets--in music and in life. On "My Evolution," Griz turns anger into redemption, hate into understanding, and desperation into salvation. Griz credits his personal growth at least partially to his bikes. Riding embodies the freedom from the personal demons he's always strived to escape. "A Harley is the greatest gift I can imagine giving someone," says Griz. "I want my fans to experience the freedom of riding."
