Alviso, CA ([PRWEB](#)) October 16, 2004 -- Acclaimed Surfabilly band, Los High Tops gained national prominence by writing and performing the music heard on Hotwire.com's innovative series of nationally televised commercials, currently in heavy rotation in North America. The band plays primarily in the Bay area, including Morgan Hill's Friday Night Music Series, at the main stage at the Gilroy Garlic Festival and occasionally performs in Los Angeles and Las Vegas. Los High Tops performed by invitation at the Rockabilly Hall of Fame show at Viva Las Vegas #5 in 2002.

The band believes in music education for all and frequently donates their time and talents to help the local community. Pro-bono highlights include Odyssey Theatre Company, Gilroy's American Cancer Society's Relay for Life, Morgan Hill Gymnastics Club and Aquatic Center fundraising events.

Los High Tops has frequent airplay of their original Rockabilly compositions on Vida Lee's Juke Joint radio program on KKUP (91.5) and KFJC's (89.7) FM Phil's Garage: Surf's Up with Phil Dirt featuring Los High Tops' original surf music on the radio.

Surfabilly combines Rockabilly, with Surf music and Jump Blues. The sound evokes the early sound of Rock and Roll - when Country first mixed with Blues, R&B, Hillbilly, and other uniquely American music styles. Many of the songs in Los High Tops repertoire are original - but they all have a comfortable familiarity - very much in keeping with the sounds of the 50's and 60's.

The Swanx Car Club is the oldest operating car club in the US.
