

Zakk Wylde and 357 Custom Choppers Join Forces

357 Custom Choppers Releases A Series Of 9 Custom Choppers With Matching Die-Cast Replicas

([PRWEB](#)) December 10, 2004 -- Zakk Wylde and 357 Custom Choppers have joined forces to build a series of 9 custom choppers signed personally by Zakk himself with matching die-cast replicas*. The Nine Custom Choppers are designed to reflect the styles of Mr. Wylde's famous guitar schemes.

The Metal Chopper is #1 in the Zakk Wylde Chopper Series. This is Zakk's personal ride. An undetermined number of this chopper design will be die cast and made available to the public.

The second Chopper is fashioned after Zakk's new Camo Gibson Les Paul, and is a numbered limited edition and is due out just in time for Christmas.

The Bullseye Chopper, created after The Grail, Zakks famous bullseye guitar is #3 in the Zakk Wylde Chopper Series. Only 300 of each chopper design will be die cast and made available to the public. The Bullseye Chopper is a Special Collector's Edition and currently 125 of this die-cast are left.

#4 of this series is Zakk's black & orange Saw Blade Chopper. An undetermined number of this chopper design will be die cast and made available to the public.

The last 5 choppers are works in progress as The King of Shred is working hard on the designs of each and every one of the upcoming choppers and die-casts. Also available is Zakk Wylde gear associated with these choppers to complete your collection.

Each Die Cast measures approximately: 2 ½ inches in height by 7 ¾ inches in length. Order yours online at <http://357customs.com/zakk.php>. Pre-orders are available. Orders take approx 4 months to fill.

Please note the die casts are not signed by Zakk Wylde.
