

Journalists Invited to Attend the SAE International 2016 On-Board Diagnostics Symposium

SAE International invites journalists and other credentialed members of the media to attend the 2016 On-Board Diagnostics Symposium, which will be held Sept. 13-15 at the Indianapolis Marriott Downtown in Indianapolis to Indianapolis Marriott Downtown in Indianapolis, Indiana, USA.

WARRENDALE, Pa. ([PRWEB](#)) September 02, 2016 -- SAE International invites journalists and other credentialed members of the media to attend the 2016 On-Board Diagnostics Symposium, which will be held Sept. 13-15 at the Indianapolis Marriott Downtown in Indianapolis to Indianapolis Marriott Downtown in Indianapolis, Indiana, USA.

Attendees will hear valuable technical knowledge, insight, and information with respect to CARB, EPA, and EURO IV/V/VI regulations, and global standards associated with meeting light- and heavy-duty emissions controls requirements.

This event features speakers from regulators, OEMs, and solution providers; breakout sessions on relevant and timely topics; and presentations on the latest technologies being employed to meet current and upcoming challenges.

SAE International is a global association committed to being the ultimate knowledge source for the engineering profession. By uniting over 127,000 engineers and technical experts, we drive knowledge and expertise across a broad spectrum of industries. We act on two priorities: encouraging a lifetime of learning for mobility engineering professionals and setting the standards for industry engineering. We strive for a better world through the work of our philanthropic SAE Foundation, including programs like A World in Motion® and the Collegiate Design Series™.
