

## **SAE International to Host Silicon Valley Quarterfinals of GAMIC Innovation Challenge**

*For the second straight year, SAE International will host the quarterfinals of the Global Automotive and Mobility Innovation Challenge (GAMIC).*

WARRENDALE, Pa. ([PRWEB](#)) September 25, 2017 -- For the second straight year, [SAE International](#) will host the quarterfinals of the Global Automotive and Mobility Innovation Challenge ([GAMIC](#)).

Presented by the SAE Innovations in Mobility Meetup Group, the event will be held at Prospect Silicon Valley on Wednesday, Nov. 1, from 6:00-8:30 p.m.

Founded in 2008, GAMIC invites innovators from around the globe to apply to compete in one of four innovation categories for a total of more than \$300,000 in cash and in-kind commercialization services. The categories include:

- Vehicle Electrification, V2X, Advanced Mobility
- Advanced Materials, Sensors, Actuators, Manufacturing Processes
- Infotainment, Auto Consumer / Value-Add, Value Chain /Business Model, Security
- New High Value / Disruptive Technology Innovations

Finalists will compete for the grand prize at WCX™: SAE World Congress Experience, April 10-12, 2018, in Detroit.

Anyone interested in submitting their startup to the competition can do so by visiting the GAMIC website at <http://gamicevent.org>.

SAE International is a global association committed to being the ultimate knowledge source for the engineering profession. By uniting over 127,000 engineers and technical experts, we drive knowledge and expertise across a broad spectrum of industries. We act on two priorities: encouraging a lifetime of learning for mobility engineering professionals and setting the standards for industry engineering. We strive for a better world through the work of our philanthropic SAE Foundation, including programs like A World in Motion® and the Collegiate Design Series™.
