

The Hardballers Thunder Across America

A new comic book featuring four beautiful leather-clad women on a road to vengeance.

([PRWEB](#)) December 12, 2005 -- Coolhandz USA Productions of Toronto, Canada, is pleased to announce the publication of its first comic book, featuring "The Hardballers." This forty-page book will be printed in full color and was conceived and written by Craig Knight.

The comic follows the adventures of four leather-clad women who thunder across the southern United States on a hurricane of chrome and steel. No one is innocent in this modern day, gritty tale of violence and desperation. Rising from the ashes of the bombed out Hardballer Motorcycle Clubhouse, DAKOTA dons the patch of her fallen lover and joined by JAG, GABRIELLE and SIENNA and armed with pump shotguns, pistols, machine guns and choppers, set out on a rampage of vengeance in this ultra-violent action thriller. Simply, bad men, bad cops and 'bad' bikes make for great action.

The publication date for the first issue of "The Hardballers" is set for May 1, 2006. The cover price will be \$5.99 and the special 'signed' edition will be available through our website.
