Before RILEY, COLLOTON, and GRUENDER, Circuit Judges.

PER CURIAM.

Earnest Monk appeals the district court's¹ adverse grant of summary judgment in this diversity action. Having carefully reviewed the record, we agree with the district court that Monk failed to offer the necessary expert testimony under Arkansas product-liability law to survive summary judgment. Thus, we affirm. See 8th Cir. 47A(a).

¹The Honorable Jimm Larry Hendren, Chief Judge, United States District Court for the Western District of Arkansas.
