TNT Super Series points battle extremely close heading into Cayuga double this weekend

Jon Jablonski and Chris VanBaalen tied for first place entering second last weekend!

CAYUGA, ONTARIO

(August 28, 2012) In

the Joe's Transmission TNT Super Series, Labour Day weekend has always brought intense competition as drivers vie for top spots in the popular sportsman series' points chase. This weekend

will be no different when

the TNTSS rolls into Cayuga Dragway on September 1-2 for a drag racing double-header powered by Bieda's Powersports.

The final Canadian stop on the TNTSS 2012 schedule, this weekend should see a strong turnout of both racers and fans. Joe Boniferro, series title sponsor, is very much looking forward to it. "The series drew a record car count the last time we were here back in June. With two complete points races plus the ROC, I expect we'll break that record this weekend."

The ROC that Joe refers to is the Performance Improvements TNTSS Race of Champions. It's a free race for TNTSS event winners only that will be held on Saturday night with a purse valued at \$1800.00.

At last year's Labour Day weekend events, eventual 2011 series champion David Surmatchewski solidified his points lead by running the table and winning both days.

And while David is still a significant threat to repeat, the story right now is Jon Jablonski and Chris VanBaalen. They are tied for first place with Harry Phelps only 11 points back and Tom Coonly only 5 more behind Harry.

"There's only 16 points separating fourth from first. Anything can, and usually does, happen," added Joe.

Part of the Canadian Funny Car Championships, this weekend will also feature the NDRA Alcohol Funny Cars, Nitro Harleys, rounds in the Can Am Stock / Super Stock Series and the DSE Sportsman Bracket Series.

Gates open at 6:00pm on Friday for weekend camping and Saturday morning at 9:00am with qualifying starting at 11:00am. Visit www.torontomotorsportspark.com for more information.

About the Joe's Transmission TNT Super Series (TNTSS):

Since it began in 2006, the TNT Super Series has grown into one of the strongest, most competitive sportsman drag racing series in North America and has catapulted many competitors to success on the national and divisional stages.

The TNTSS is a self-governing organization with input from its teams. Based on NHRA's Super Street & IHRA's Hot Rod classes, competitors run on a 10.90 index in the 1/4 mile (7.00 in the 1/8 mile) and race for a guaranteed purse that pays back more than 100% of the racer's entry fees. The yearend points fund pays the top five finishers and the Series Champion receives a prize package worth over \$3500.00.

The TNTSS is committed to providing the highest level of competition backed by solid media support to showcase its participants across North America. Events are contested at various drag racing facilities in southern Ontario and western New York and put on a spectacular show for the drag racing fan.
