TNT Super Series hits western New York with two races this weekend

The Sister Act Band presents US double-header!

NEW YORK (August 21, 2013)

The toughest sportsman drag racing series in the country hits two different racetracks this weekend for a US double-header. The Joe's Transmission TNT Super Series visits Elegant Builders Raceway Park in Lancaster, NY on Friday followed by a trip to Empire Dragway in Leicester, NY on Saturday.

Presented by The Sister Act Band, this weekend looks to showcase competition at its highest level. The championship points chase is the closest it has been in years as JJ Jablonski claimed the number one spot at the last race.

"Jablonski cannot afford to skip a beat heading into this weekend as Sam LoVetro Jr is only 4 points back," said Ted Barnes of the TNTSS. "LoVetro won our first race at Empire earlier this year and Jablonski is just as strong on the 1/8th mile at Lancaster."

And with 2011 TNTSS champion Dave Surmatchewski in third place another 36 points back, you're going to see some terrific racing this weekend. Kevin Orr and Ryan Boniferro round out the top five.

These same three drivers (Jablonski, LoVetro and Surmatchewski) are also at the front of the pack for the Performance Improvements Driver of the Year Award, lubricated by Royal Purple. "Chris VanBaalen and Paul Young may change that landscape if they get a couple more eligible round wins this weekend," added Ted.

Both Tara Lister and Melinda Fetz - the sisters of The Sister Act Band - enjoy to get out to see the TNTSS when they can. "We love to support what the guys do and help where we can," they said. "Many times, TNTSS racers have come out to support our concerts so we are just returning the favour."

About the Joe's Transmission TNT Super Series (TNTSS):

Since it began in 2006, the TNT Super Series has grown into one of the strongest, most competitive sportsman drag racing series in North America and has catapulted many competitors to success on the national and divisional stages.

The TNTSS is a self-governing organization with input from its teams. Based on NHRA's Super Street & IHRA's Hot Rod classes, competitors run on a 10.90 index in the 1/4 mile (7.00 in the 1/8 mile) and race for a guaranteed purse that pays back more than 100% of the racer's entry fees. The yearend points fund provides cash & prizes to the top eight finishers and the Series Champion receives a prize package worth over \$4000.00.

The TNTSS is committed to providing the highest level of competition backed by solid media support to showcase its participants across North America. Events are contested at various drag racing facilities in southern Ontario and western New York and put on a spectacular show for the drag racing fan.
