TNT Super Series Releases 2014 Schedule

Popular sportsman drag racing series enters its eighth season!

CANFIELD, ONTARIO (January 23, 2014) The Joe's Transmission TNT Super Series is gearing up for its eighth season and has released its 2014 event schedule. Known as the most competitive sportsman series in the country, the 2014 TNTSS will host events at four different racetracks in western New York and southern Ontario.

Since it began in 2006, the TNTSS has seen many of its competitors have success on the divisional and national event stages. Series Director, Ted Barnes says that is a result of the series running at various facilities. "We hit at least four or five different tracks in any one season, some we run 1/8th mile and some we run 1/4 mile. That forces these teams to be competitive under lots of different conditions. To win a championship in the Joe's Transmission TNT Super Series, you have to be able to adapt. Getting lucky is just not an option."

Steve's Electric powers the season opener on Memorial Day weekend as the TNTSS rolls into Elegant Builders Raceway Park (EBRP) in Lancaster, New York on Friday May 23rd for what is always extremely tight 1/8th mile racing. Then Saturday, the series will join Empire Dragway's 1/8 Mile Shoot-Out on Saturday May 24th in Leicester, New York.

Dilts Piston Hydraulics takes the TNTSS into Cayuga Dragway at Toronto Motorsports Park on June 7-8th for some Canadian 1/4 mile action.

Then it's the second of three US double-headers and back over to EBRP for the Jan Cen Motorsports race on Friday July 18th and then to Empire's 1/4 mile for the Autos Direct of Buffalo event on Saturday July 19th.

Next stop is St Thomas Raceway Park in Sparta, Ontario for a Canadian 1/8th mile double on Saturday September 30th and Sunday September 31st.

And for the season finale, Sam LoVetro Automotive returns the TNTSS state-side to EBRP on Friday September 12th and to Empire on Saturday September 13th.

"We put a lot of work into creating a schedule that works for the competitors," added Ted. "With every event being a double, the racers can keep travel costs down."

About the Joe's Transmission TNT Super Series (TNTSS):

Since it began in 2006, the TNT Super Series has grown into one of the strongest, most competitive sportsman drag racing series in North America and has catapulted many competitors to success on the national and divisional stages.

The TNTSS is a self-governing organization with input from its teams. Based on NHRA's Super Street & IHRA's Hot Rod classes, competitors run on a 10.90 index in the 1/4 mile (7.00 in the 1/8 mile) and race for a guaranteed purse that pays back more than 100% of the racer's entry fees. The yearend points fund provides cash & prizes to the top eight finishers and the Series Champion receives a prize package worth over \$4000.00.

The TNTSS is committed to providing the highest level of competition backed by solid media support to showcase its participants across North America. Events are contested at various drag racing facilities in southern Ontario and western New York and put on a spectacular show for the drag racing fan.

About Joe's Transmission

Joe Boniferro has owned and operated Joe's Transmission Service in Niagara Falls, Ontario since 1984. From the original single bay location, the business has progressed to a six bay, five employee automotive complex on Arthur Street. The two storey building houses Joe's Transmission (Commercial, Fleet and Performance Divisions) and Al's Radiator Service. They sell and install aftermarket high performance parts and accessories. As a Firestone Dealer they sell and install drag racing tires. Their specialty is building and repairing high performance transmissions. Contact Joe and his team at (905) 374-6116 or visit them online at www.joestransmission.com.
