Press Release

Comments Sought On State Transportation Improvement Program (STIP)

The public is invited to comment on the New Mexico Department of Transportation's sixth amendment to the State Transportation Improvement Program (STIP). The program will serve as a four year plan for the state's federal aid highway program.

The NMDOT has posted the 2012-2015 STIP amendment on the internet asking for public comment until December 19th. Final Public comment will be held at the NMDOT General Office in Santa Fe on December 19th from 1 - 4 p.m.

The STIP contains proposed road and bridge projects and is required under the federal legislation. Projects on the list are on federal and state highways (roads with I, US or NM designations).

The STIP is developed by the NMDOT, working in cooperation with state, local and tribal transportation agencies as well as regional planning organizations. Projects included in the STIP are funded with a combination of federal, state and/or local funds. The document is posted on the NMDOT website at <http://dot.state.nm.us/>. The NMDOT STIP Coordinator will take comments via email at Rebecca.Maes@state.nm.us.

For more information contact Melissa Doshier, NMDOT Public Information Officer, at (505) 469-5698.
