Press Release

Sign replacement work in Otero County begins this week

Roswell – The New Mexico Department of Transportation (NMDOT) will begin replacing aging overhead signs on U.S. routes in Otero County this week. The sign replacement project, will take place at the overpass North and South of U.S. 54/70 and U.S. 82 North of the Alamogordo Relief Route. All work on this \$152,000 investment is scheduled to be completed by late-February 2013.

Work to replace the signing includes mobilization of equipment, removal of existing extruded signs, installation of new signs and poles, and traffic control. All closures in effect will take place between 8:00 a.m. and 5:00 p.m., Monday through Friday.

For up-to-date road construction information throughout the state, visit nmroads.com or call 511.
