Press Release

Highway Maintenance Scheduled Near Española

Santa Fe – The New Mexico Department of Transportation will begin a month-long pavement preservation project next week just north of Española.

The maintenance work will begin Monday, July 15 on NM Highway 68 between mile markers 6 and 12. Mile marker 6 is approximately one mile north of the junction of NM 68 and NM 74.

Two private contractors will be doing the work, which is estimated to be completed on or before August 31, pending good weather and no equipment or material supplier problems. Motorists can expect to encounter lane closures and minor delays.
