TNT Super Series double at Cayuga this weekend PLUS a 4-car \$1000 SHOOT-OUT Sunday

Dilts Piston/ATI Performance weekend will host the first-ever Sister Act Band TNTSS SHOOT-OUT!

CAYUGA, ONTARIO (June 1, 2014) Cayuga Dragway at Toronto Motorsports Park is next up for the Joe's Transmission TNT Super Series on June 7-8 for a double race weekend.

The Dilts Piston/ATI Performance TNTSS weekend will see races 3 & 4 in the ten race TNTSS schedule. Weekend presenter Ian Hill of Dilts Piston Hydraulics says the TNTSS has long been a great local outlet for 10.90 index racers.

"The series has made an excellent arena for its members to hone their skills, much to the impressive point that when these members hit the IHRA/ NHRA divisionals and national events it is not uncommon to see the TNTSS members in the finals!"

Hill went on to say that supporting the TNTSS upon its opening Canadian dates is something Dilts Piston/ATI Performance is proud to be a part of. "We hope to see you all at the June 7-8 event and wish everyone a safe weekend filled with consistent tail winds!"

In addition to the two regular TNTSS races this weekend, Sunday will see the first-ever Sister Act Band TNTSS SHOOT-OUT. This specialty race will have only four cars qualify and pay \$1000... Winner takes all.

The qualifiers for the SHOOT-OUT will be the TNTSS event winners from Saturday and Sunday plus the first round losers who run closest to the index each day. "This ought to make for a spectacular shoot-out," said Roy Lister of Sister Act Band. "Tara and Mel just love the high level of competition in the TNT series and this shoot-out will definitely see guys at the top of their game!"

Gates open Friday at 6pm for weekend camping, Saturday & Sunday at 9am with qualifying starting at 11am both days. Visit www.torontomotorsportspark.com for full weekend details.

About the Joe's Transmission TNT Super Series (TNTSS):

Since it began in 2006, the TNT Super Series has grown into one of the strongest, most competitive sportsman drag racing series in North America and has catapulted many competitors to success on the national and divisional stages.

The TNTSS is a self-governing organization with input from its teams. Based on NHRA's Super Street & IHRA's Hot Rod classes, competitors run on a 10.90 index in the 1/4 mile (7.00 in the 1/8 mile) and race for a guaranteed purse that pays back more than 100% of the racer's entry fees. The yearend points fund provides cash & prizes to the top eight finishers and the Series Champion receives a prize package worth over \$4000.00.

The TNTSS is committed to providing the highest level of competition backed by solid media support to showcase its participants across North America. Events are contested at various drag racing facilities in southern Ontario and western New York and put on a spectacular show for the drag racing fan.
