

FOR IMMEDIATE RELEASE

TNT Super Series double this weekend - Lancaster and Leicester New York

*Jan-Cen Motorsports and Autos Direct of Buffalo present
mid-season action!*

NEW YORK (July 15, 2014) This weekend July 18-19 will see the Joe's Transmission TNT Super Series return to western New York for races 5 and 6 on the ten race schedule. Both Elegant Builder's Raceway Park (EBRP) in Lancaster, NY and Empire Dragway (ED) in Leicester, NY will see TNTSS action this weekend.

Jan-Cen Motorsports powers Friday's event at EBRP as the TNTSS runs its first 1/8th mile race of the 2014 season. Then on Saturday at Empire, Autos Direct of Buffalo presents the series as it returns to 1/4 mile action.

Points leader Jason Vitez couldn't be happier with this weekend's venues as he won at Empire earlier this season. And second place Tom Coonly just came off a semi-final finish at the IHRA Pro Am in Pittsburgh. "It was a great weekend in Pittsburgh for TNTSS racers," said Ted Barnes. "In addition to Tommy's success, Roy Lister runner'd up and Kevin Orr scored a semi-final...all in Hot Rod. Bill Elekes runner'd up in Super Rod and TNTSS newcomer Pete D'Agnolo won BOTH days in his Super Stock Camaro!"

An added bonus this weekend, the \$1000/win Sister Act Band 4-Car SHOOT-OUT will have the final spot filled Friday at EBRP with the event itself run Saturday afternoon in between qualifying sessions at Empire.

Gates open Friday at 3pm at Elegant Builders Raceway Park with qualifying at 5pm. Saturday at Empire Dragway gates open at noon with qualifying at 2pm.

About the Joe's Transmission TNT Super Series (TNTSS):

Since it began in 2006, the TNT Super Series has grown into one of the strongest, most competitive sportsman drag racing series in North America and has catapulted many competitors to success on the national and divisional stages.

The TNTSS is a self-governing organization with input from its teams. Based on NHRA's Super Street & IHRA's Hot Rod classes, competitors run on a 10.90 index in the 1/4 mile (7.00 in the 1/8 mile) and race for a guaranteed purse that pays back more than 100% of the racer's entry fees. The yearend points fund provides cash & prizes to the top eight finishers and the Series Champion receives a prize package worth over \$4000.00.

The TNTSS is committed to providing the highest level of competition backed by solid media support to showcase its participants across North America. Events are contested at various drag racing facilities in southern Ontario and western New York and put on a spectacular show for the drag racing fan.

About Jan-Cen Motorsports

Formed in 1958 by James Janis, Sr. and Tony Centra, Jan-Cen Motorsports has built its reputation as the number one stop for high performance products and service. What started as a mere dream for quality engine service almost fifty years ago, turned into a mark for perfection. Located in Elma, New York, Jan-Cen Motorsports specializes in a variety of areas which include race engine building, high performance products, snowmobile sale and repair, and ATV sale and repair. As a prime dealer of Arctic Cat and Polaris snowmobiles and ATVs, Jan-Cen Motorsports provides the vehicle you need to fulfill your needs. Whether to simply cruise on the land for a relaxing day, or to tear up the trails with a high performance model, they have the ride you're looking for. Also at Jan-Cen Motorsports, the racing engine specialists are always doing constant R&D to better improve your motor's performance. Their in-house Dyno helps them better understand your engine's tendencies and make for dramatic increases in horsepower. Jan-Cen Racing Engines are proven to win. 2001 IHRA Pro Modified World Champion and World ET/MPH Record Holder Mike Janis chooses Jan-

Cen Racing Engines to power his supercharged 1963 Corvette every season. Now run by Janis' sons, Jan-Cen Motorsports maintains its status as racers' and consumers' number one stop for high performance. Visit www.jancenmotorsports.com to learn more.
