

Affordable Vehicle Cargo Organizer for Mobile Workers!

([PRWEB](#)) November 6, 1999 -- Organize your stuff...and save 30% while you're at it.

<*>
SPECIAL OFFER FOR MOBILE WORKERS-\$69.00
<*>

How would you like to end the constant chase for sales literature and catalogs inside the trunk of your car, mini-van or SUV? If you work in outside sales or customer service you know how time consuming this can be. The demands of today's business world for more productivity means you must GET ORGANIZED.

We would like to invite you to visit our website to see this new innovative Cargo Organizer that will help make your daily life easier and more productive. "Selling Power Magazine" says: "Cargo Organizational Systems can improve your time management by 40%". Simply click on this link:

The EZ-Stow brand of Vehicle Cargo Organizers are the most advanced, state-of-the-art cargo organizer systems used by mobile professionals today. The Cargo AIP System has been tested not to tip over, slide, or lose materials. All panels are made from a lightweight sturdy plastic. The panels slide together easily, and no tools are required for assembly. Take a look at how your trunk or SUV can look with this product in use.

Here's a fresh idea to itemize, separate, and secure your personal and professional items in the trunk or rear cargo area of your mobile office. The Cargo AIP System assembles quickly and easily. It's interlocking adjustable panel design allows you to assemble the panels to fit into your individual vehicle. Go to: www.take-me-home.com/directory/ez-stow2.htm
