

FOR IMMEDIATE RELEASE

## TNT Super Series Releases 2015 Schedule - NINTH SEASON

**CANFIELD, ONTARIO (March 30, 2015)** The highly competitive Joe's Transmission TNT Super Series returns for a ninth season in 2015 with a ten race schedule plus the annual REVS Full Throttle Powersports RACE OF CHAMPIONS.

The series - which focuses entirely on the sportsman drag racer experience - will once again pay back more to the racers than any other series in the country AND will showcase some of the best drivers ever to turn on a win light.

Entry fee remains at only \$60 per race with winner's taking home \$1000 with as few as 30 cars in the field. There is also round money after a 2nd round win and many specialty awards at every race.

In 2015, the TNTSS points champion will receive over \$4000 in cash and prizes plus the points fund will pay cash and prizes back to the eighth place finisher.

The marquee event on the 2015 schedule is the RACE OF CHAMPIONS which will be held alongside the final race of the season at Empire Dragway in Leicester, New York.

Presented by REVS Full Throttle Powersports, the ROC pays \$1200/win and \$400/ru with NO ENTRY FEE. All you have to do to get in is win a TNTSS race! All past

winners are already qualified! And there will be many more chances this year to make this prestigious event!

The full schedule looks like this. It starts with a US double weekend on Memorial Day at Lancaster and Empire, then continues with a Canadian double in early June at Cayuga. Mid June sees a US single at Lancaster and late July has another double back at Cayuga. The series then joins up with the IHRA Pro Am at Empire late August and then finishes the season in September with another Lancaster / Empire double, including the ROC.

### **About the Joe's Transmission TNT Super Series (TNTSS):**

Since it began in 2006, the TNT Super Series has grown into one of the strongest, most competitive sportsman drag racing series in North America and has catapulted many competitors to success on the national and divisional stages.

The TNTSS is a self-governing organization with input from its teams. Based on NHRA's Super Street & IHRA's Hot Rod classes, competitors run on a 10.90 index in the 1/4 mile (7.00 in the 1/8 mile) and race for a guaranteed purse that pays back more than 100% of the racer's entry fees. The yearend points fund provides cash & prizes to the top eight finishers and the Series Champion receives a prize package worth over \$4000.00.

The TNTSS is committed to providing the highest level of competition backed by solid media support to showcase its participants across North America. Events are contested at various drag racing facilities in southern Ontario and western New York and put on a spectacular show for the drag racing fan.
