Press Release

## **US 550 Bridge Lane Closures This Weekend**

**Bernalillo** - The US 550 Bridge over the Rio Grande River in Bernalillo will once again have a lane closure eastbound for much of the weekend beginning Friday 12/12 at 7p.m. until Monday 12/15 at 5a.m. The contractor will continue to effect repairs to the bridge structure which includes a curing time for the material utilized to make the repairs. During this curing time there will be no apparent work related activity yet the lane must remain closed.

Motorists are advised to seek an alternate route if possible or allow more time to reach your destination. The repair work will continue for several more weekends.
