Press Release

I-10/Vado Interchange Closure at NM 227 *Vado, NM*

Las Cruces: The New Mexico Department of Transportation (NMDOT) with El Terrero Construction, continue with work at the Vado exit where motorists will encounter overnight closures starting Tuesday night February 24 until Friday morning February 27.

The contractor will need to close this section of roadway on NM 227/Vado Drive in order to mill, sub grade preparation and pave this section as it will align with the newly constructed roundabout. The closures will be stationed from 8:00 pm and will be lifted by 6:00 am the following morning.

There will be a detour for motorists traveling on Stern who will have access between Vado and Mesquite who can access NM 227 as work is being performed. Those wishing to travel south at this intersection will not have access. Motorists are advised to avoid this area in order to avoid delays in their travels. Should the contractor need to make changes to the schedule due to weather, a notice will be sent out.
