

FOR IMMEDIATE RELEASE

# TNT Super Series Kicks Off 2015 With Two Races This Weekend

*Double header races in western New York to  
begin season NINE!*

**NEW YORK (May 17, 2015)** The ninth season in the Joe's Transmission TNT Super Series begins this weekend with two races - Lancaster on Friday May 22 then Empire on Saturday May 23.

*Steve's Electric Co. LLC*

Presented by Steve's Electric, the Memorial Day weekend double has become a TNTSS tradition. "We are so lucky to have the freedom to race these cars. Most people in the world never have this type of opportunity," said Ted Barnes, TNTSS Director. "Steve McCarrick and team have been strong supporters of our series since day one and have always been behind our Memorial Day weekend events."

First stop this weekend is Lancaster National Speedway and Dragway in Lancaster NY where TNTSS racers will see 1/8 mile action on Friday. The facility at Lancaster has had significant improvements over the winter including some resurfacing of the shutdown area. New General Manager Melissa McGowan is doing a great job turning this facility around.

Then Saturday it's off to Empire Dragway in Leicester NY and racers will change set ups to 1/4 mile. "Empire Dragway has also seen a refresh thanks to Jerry Scaccia who is heading into his second full year," added Ted.

As always, racers in the Joe's Transmission TNT Super Series will see the best payouts in the country with an event win paying \$1000 with as few as 30 cars in the field. Round money starting with round two wins along with many specialty awards

make this series very popular among sportsman racers. This weekend also means the start of the 2015 points chase and both races are qualifiers for the REVS Full Throttle Race of Champions later this season.

New in 2015 will be the GUARANTEED TO WIN event - presented by Roy & Tara Lister - coming up on August 22 at the IHRA Pro Am at Empire Dragway. Visit [www.tntsuperseries.com](http://www.tntsuperseries.com) for all you need to know about the best sportsman series on the planet!

**About the Joe's Transmission TNT Super Series (TNTSS):**

Since it began in 2006, the TNT Super Series has grown into one of the strongest, most competitive sportsman drag racing series in North America and has catapulted many competitors to success on the national and divisional stages.

The TNTSS is a self-governing organization with input from its teams. Based on NHRA's Super Street & IHRA's Hot Rod classes, competitors run on a 10.90 index in the 1/4 mile (7.00 in the 1/8 mile) and race for a guaranteed purse that pays back more than 100% of the racer's entry fees. The yearend points fund provides cash & prizes to the top eight finishers and the Series Champion receives a prize package worth over \$4000.00.

The TNTSS is committed to providing the highest level of competition backed by solid media support to showcase its participants across North America. Events are contested at various drag racing facilities in southern Ontario and western New York and put on a spectacular show for the drag racing fan.

**About Steve's Electric**

Steve's Electric Co is located on Griffith Rd in Phelps, NY. In business since 1976, they do commercial, farming, industrial & residential electrical work along with complete installation, maintenance & repair. Call Steve and his team at (315) 548-9340 for all your electrical needs.

**About Joe's Transmission**

Joe Boniferro has owned and operated Joe's Transmission Service in Niagara Falls, Ontario since 1984. From the original single bay location, the business has progressed to a six bay, five employee automotive complex on Arthur Street. The two storey building houses Joe's Transmission (Commercial, Fleet and Performance Divisions) and Al's Radiator Service. They sell and install aftermarket high performance parts and accessories. As a Firestone Dealer they sell and install drag racing tires. Their specialty is building and repairing high performance transmissions. Contact Joe and his team at (905) 374-6116 or visit them online at [www.joestransmission.com](http://www.joestransmission.com) .
