Press Release

NM 90/Hudson Street Bridge Demolition

Silver City - The New Mexico Department of Transportation (NMDOT) District One office and Interstate Highway Construction (IHC) have commenced with minor work along NM 90/Hudson Street and US 180/Truck Bypass Road.

The NMDOT and IHC will extend the date once more to remove the bridge on NM 90 to May 18, 2015 due to the processing of environmental commitments and documentation for this project. The NMDOT will hold its next public meeting on Wednesday May 13, 2015 to discuss the project status.

When:

6:00 to 7:30 p.m.

(Every 2nd Wednesday of the Month)

Where:

Grant County Convention Center
3031 Highway 180 - E
Silver City, NM

For information regarding this project you may contact Brian Torres, NMDOT-District One Project Manager at (575) 544-6561, or at brian.torres@state.nm.us. Roadway notifications will be posted on the department's web page www.nmroads.com which can also be retrieved by calling 511.
