Traffic Advisory

NM 516 Lane Closures To Begin July 28

Aztec - The New Mexico Department of Transportation will begin a mill and inlay improvement project on NM 516 from mile marker 5 to mile marker 7.5 in Aztec. This roadway improvement project is scheduled to be completed end of August 2015; weather permitting.

Starting Tuesday, July 28, from 6:00 a.m. to 6:00 p.m., the NM 516 northbound and southbound lanes will have one lane closures. The contractor will be working Monday through Friday with some weekend work and will begin lane closures on the northbound lanes and then move to the southbound lanes. Traffic can expect delays during this time.

Cutler Repaving, Inc. out of Kansas is the contractor for this project.

Drivers are urged to proceed with caution through the work zone, observe traffic control signs and reduce speed to the posted limit. Traffic Advisories and updates on this project will be posted on the New Mexico Department of Transportation's road conditions website, <http://nmroads.com/>. You can also call the NMDOT's road hotline at 511 or 1-800-432-4269.
