Presque Isle, ME ([PRWEB](#)) January 05, 2016 -- Randy Norsworthy, owner of [North Country Auto](#), is proud to announce the recent opening of a new North Country Auto location in Biddeford, ME, at 605 Alfred Street.

“We are very excited about the opening of our fourth North Country Auto location,” said Norsworthy. “With this new North Country Auto location in Biddeford, we can service our customers statewide and with more inventory to choose from, we are able to get our customers exactly what they’re looking for.”

In addition to quality pre-owned vehicles, the Biddeford location will offer North Country Auto’s LifePledge Protection, which is an exclusive promise to its customers. LifePledge is an unlimited mileage powertrain warranty for most of North Country Auto vehicles. This is at no additional cost to its customers on all vehicles with LifePledge certification. Vehicles that qualify are five years or newer with 75,000 miles or less. The vehicles go through a 162-point check, done mostly at North Country Auto’s own auto body shop, or at other qualified auto body shops handpicked by North Country Auto.

“North Country Auto prides itself on being a one-of-a-kind dealership that cares about you after your vehicle purchase, not just during the experience,” said Norsworthy. “We are your friends in the car business.”
