

T3 Motion, Inc. Announces National Service Partnership Agreement with Respected Electric Vehicle Manufacturer Star EV

T3 Motion to Join Forces with Star EV's National Dealership Network of Over 200 Locations for Existing and New T3 Motion Customers

Brea, CA ([PRWEB](#)) January 05, 2016 -- T3 Motion, Inc. (OTC: TTTM), the global leader in the design and delivery of electric vehicles to the commercial, law enforcement, and security markets, announced the national service partnership with highly-respected electric vehicle manufacturer, Star EV. Over 200 Star EV dealers coast-to-coast will offer all-electric T3 Patroller and T3 Vision maintenance, refurbishment, and repair services.

South Carolina-based Star EV, a brand of JH Global Services, Inc., will be an official T3 Motion factory-authorized provider for the T3 Patroller Refurbishment Program designed to update and recondition existing T3 vehicles with the latest technology and features. This new program will give current T3 Motion customers the opportunity to benefit from the latest technological advancements and continue to capitalize on their investment in their fleets of T3 Patrollers.

“Star EV is very excited to join with the T3 Motion team to provide our exceptional service and maintenance programs through our network of Star EV dealers across the U.S.,” said Jane Zhang, JH Global, Inc. C.E.O. “T3 Motion is a pioneer in the professional-grade electric vehicle market and we are honored to partner with them to offer their existing and new customers service coverage through our highly-trained national dealer teams.”

“T3 Motion is privileged to be partnering with the world-class Star EV team to increase our national service network for the revolutionary T3 Patroller and new T3 Vision vehicles,” said Noel Cherowbrier, T3 Motion, Inc. C.E.O. “With our new T3 Patroller Refurbishment program, our customers can now bring their T3s up to 2015 standards and have the confidence that the work will be done by T3 Motion factory-authorized providers like Star EV.”

About Star EV:

Star EV, by JH Global Services, Inc., is a leading provider in the advancement of electric mobility through innovation, exceptional value and best-in-class service. JH Global Services, Inc. was formed as a global outsourcing and distribution company in 2003. An opportunity in the Golf Car and Electric Vehicle segment was quickly identified with the birth of Star EV. Star EV now offers 50+ models of electric vehicles and has been recognized by INC magazine and the South Carolina Chamber of Commerce for rapid growth since the introduction of the brand in 2004. For more information, please contact JH Global Services, Inc., visit www.starev.com, email [sales\(at\)jhglobalinc\(dot\)com](mailto:sales(at)jhglobalinc(dot)com), or call (877) 818-8833.

About T3 Motion, Inc.:

T3 Motion, Inc. (OTC: TTTM) was founded in 2006 in Costa Mesa, CA and has become the global leader in clean energy, all-electric patrol vehicles for the Law Enforcement, Military, and Security markets. T3 Motion's revolutionary patented T3 Patroller was the first electric multi-shift vehicle designed for professional applications with interchangeable batteries. Deployed at airports, military facilities, retail centers, campuses, business districts, and other high-profile locations, the T3 Patroller has quickly become the choice of public safety agencies around the world. T3 Motion, Inc. now also offers customers the T3 Vision, a smaller all-

electric patrol vehicle with interchangeable batteries ideal for interior patrols. For more information, visit <http://www.t3motion.com>, email sales(at)t3motion(dot)com, or call (714) 255-0200.

“Safe Harbor” Statement under the Private Securities Litigation Reform Act of 1995: Statements in this press release regarding T3 Motion’s business, which are not historical facts, are "forward-looking statements" that are not guarantees of future performance. Such forward-looking statements are subject to risks and uncertainties that may cause actual results to differ materially from those anticipated by the forward-looking statements. These risks and uncertainties include, among others, factors associated with market conditions and the satisfaction of customary closing conditions related to the proposed public offering.
