

28th Annual Manufacturers RV Show Rolls into Pleasanton Saturday

Good Times Promotions recorded 25,000 people at West Coast's largest indoor RV show last year; says 2016 looking to be even bigger

Pleasanton, Calif. ([PRWEB](#)) January 08, 2016 -- Good Times Promotions is rolling out the welcome mat for everyone who has dreamed of living the RV lifestyle during its 28th Annual Manufacturers RV show from Jan. 9-18, 2016 at the Alameda County Fairgrounds in Pleasanton.

Savvy travelers who attend the show will be able to compare hundreds of RVs, including the newest 2016 models. They'll be able to peruse new and used accessories, negotiate directly with a representatives from the manufacturer—cutting out the need for a costly middleman—and do it all in one convenient location.

Even during the slowly recovering economy and an era of unpredictable gas prices, RVing represents the cheapest vacation option around, according to Recreational Vehicle Industry Association studies. It's clear people recognize the value. Last year's show drew record crowds and sales. More than 25,000 people attended the show and bought more than 300 rigs.

“RVing is a great investment, and we've received tremendous interest about our show this year,” said Good Times Promotions' Show Manager Shawn Nohr. “We'll have hundreds of RVs of all makes and models under one tent and we expect a great turnout.”
