Huntington Beach, CA ([PRWEB](#)) January 13, 2016 -- The team at Huntington Beach Chrysler Dodge Jeep Ram continued their tradition of community volunteerism during the 2015 holidays by partnering with the local Boys and Girls Club and Walmart to provide community support.

According to Huntington Beach Chrysler Dodge Jeep Ram, they spent an entire afternoon shopping with 50 underprivileged children at the Huntington Beach Walmart. There, they shopped for warm clothes. The dealership's staff also partnered with the Boys and Girls Club with 65+ volunteers. Walmart also provided extra staff to help make the afternoon even more of a success.

Pete Shaver, the dealer principal, brought his family, and many of the staff members followed suit by bringing their family members to volunteer.

Shaver said, "We are overwhelmed by the opportunity to help these kids, and we've had a glimpse of how many opportunities there are to help within the community during the holiday season. Thank you for allowing us to do this!"
