

SAE International to Host 2016 Hybrid and Electric Technologies Symposium in Anaheim, California

SAE International will host the 2016 Hybrid and Electric Technologies Symposium at the Disneyland Hotel in Anaheim, Calif., on Feb. 9-11.

WARRENDALE, Pa. ([PRWEB](#)) January 21, 2016 -- SAE International will host the [2016 Hybrid and Electric Technologies Symposium](#) at the Disneyland Hotel in Anaheim, Calif., on Feb. 9-11.

The symposium is sponsored by Toyota, AVL and Horiba.

The event has been meticulously planned by representatives of the leading companies in the industry. The technical sessions will cover such topics as:

- Market Perspectives
- Regulatory Environment/Issues
- Charging and Energy Storage
- Power Electronics
- Energy Efficiency Opportunities

Pre-registration for the symposium ends Tuesday, Jan. 26.

SAE International is a global association committed to being the ultimate knowledge source for the engineering profession. By uniting over 137,000 engineers and technical experts, we drive knowledge and expertise across a broad spectrum of industries. We act on two priorities: encouraging a lifetime of learning for mobility engineering professionals and setting the standards for industry engineering. We strive for a better world through the work of our philanthropic SAE Foundation, including programs like A World in Motion® and the Collegiate Design Series™.
