

## **Visit Green Motion Car Hire at the National Franchise Exhibition, NEC Birmingham**

*The ecological rent-a-car company, Green Motion, is exhibiting at this year's National Franchise Exhibition which is being held at the National Exhibition Centre in Birmingham, United Kingdom (19th - 20th February 2016).*

(PRWEB UK) 23 January 2016 -- Senior management from the UK master franchise along with colleagues from Green Motion International will be on hand to fully convey their successful formula of the Green Motion franchise system which has seen the brand develop from its first location in Leicester, United Kingdom to over 200 locations in 22 different countries.

Green Motion in the United Kingdom are now undergoing their next phase of franchise development and are looking for new franchise partners to support the brand in key airport and city locations throughout the country.

For further information on attending the National Franchise Exhibition and visiting Green Motion on stand D60, visit [franchiseinfo.co.uk](http://franchiseinfo.co.uk). Alternatively for further information on acquiring a car hire franchise with Green Motion, please visit [greenmotion.com](http://greenmotion.com).
