Reno, NV ([PRWEB](#)) January 25, 2016 -- Leading California auto glass replacement and repair company ALL STAR GLASS is opening a new auto glass center in Washoe County, Nevada. After 38 years in business with 30 auto glass centers in California, they are proud to announce that their 31st location will open in Sparks, NV in February 2016, serving Reno, Sparks and Carson City, NV.

ALL STAR GLASS has installed and repaired auto glass for over 5 million customers since opening its first store in 1977. Bob Scharaga, president of ALL STAR GLASS is very excited about bringing our superior services and commitments to safety to the fine people of Nevada.

ALL STAR GLASS is committed to safe windshield replacement and repairs. As a member of the Auto Glass Safety Council, ALL STAR GLASS maintains certification of all its locations to ensure the safety of our installations, give the consumer more confidence in our replacements, and improve the knowledge the technicians need to perform competently. The AGSC was founded and is supported by companies in the auto glass replacement industry that keep safe installation as their primary goal.
