It's certainly something special to find a business that embraces the city they operate in to such a great degree it's difficult to list all the ways they have given back to their community. Buffalo, NY's ITA Airport Taxi are one of the few who fit well in that category. Proudly serving the Buffalo Airport, their company and its employees have repeatedly done exceptional things to help make Buffalo a better place.

“We love the city and the opportunities it has given us,” commented a spokesperson from ITA Airport Taxi. “So it's only natural to do what we can, where we can to give back to Buffalo in real ways, not just with words.”

Some recent highlights of these activities have included: For the last two years ITA Airport Taxi have held fundraising events for the Roswell Park Cancer center Buffalo; the team has organized ongoing blood drives for the Red Cross at the Airport; sadly, two years ago one of their team member got shot and died, named Mazen Abdallah, for his remembrance ITA Airport Taxi offer a scholarship to local students; ITA Airport taxi contributes to the Buffalo City Mission to feed the homeless and hungry; for Thanksgiving 2015 they have donated 1000 plus lbs of turkey meat to the Buffalo City Mission; and for Christmas 2015 the company held a food drive at the airport for those in need.

With the company continuing these efforts in 2016 and beyond they truly show a great deal of what's good about Buffalo and present a role model for other businesses to follow to make Buffalo an even better place to work and live.
