

## **AVeL-TECH Signs Contract With North Island 911 Corporation For Installation of a Computer Aided Dispatch and Mapping System**

([PRWEB](#)) February 22, 2000 -- FOR IMMEDIATE RELEASE

NORTH ISLAND 9-1-1 Corporation in Courtenay, British Columbia, has contracted AVeL-TECH to provide a Computer-Aided Dispatch and mapping system for their Fire Dispatch operations at Campell River, B.C.

AVeL-TECH is providing North Island 9-1-1 Corporation with AVeL-CAD, the newest member of an already impressive family of products known as AVeL-NET Suite dedicated to Public Safety operations. AVeL-CAD will be operating on a Windows NT platform and will integrate raster mapping data provided by SoftMap from Quebec City.

According to Mr. Bruce Williams, Administrator of the North Island 9-1-1 Corporation : "AVeL-TECH provided the only system that would meet or exceed our special requirements due to the diversity and size of our urban and rural territories. The AVeL-CAD system promised the performance and the expandability that the North Island 911 Corporation was seeking.

North Island 9-1-1 Corporation covers a geographic area of some 56,000 square kms, dispatching 50 separate fire departments.

### **AVeL-TECH Background Information**

Based in Canada, AVeL-TECH designs and commercializes a complete suite of products for mission critical organizations, including computer aided dispatch (CAD), automatic vehicle location (AVL), message switch and vehicular applications.

AVeL-TECH's products have been designed to conform to the highest standards set forth by public safety organizations requiring uncompromized robustness to handle uninterrupted life-saving operations.

The AVeL-NET product line is modular and can be articulated around most operational requirements. AVeL-NET is available in English, Spanish, Portuguese and French and is currently used by several Police, Ambulance, Fire departments and Governmental Agencies in North America, Latin America and Europe.

AVeL-NET, RadioGATE and MobiCAD are trademarks of AVeL-TECH Incorporated.
