RAMP TEACHES CAR SAFETY TO PRE-SCHOOLERS

Preschool students at Miss Mella's Footsteps to Learning Center recently enjoyed a safety program sponsored by Ramp Chevrolet in Port Jefferson Station. The hands on lesson included how to buckle-up properly, safe entering and exiting of vehicles, and the importance of sitting in the backseat away from air bags.

"It was great to see so many children actively involved in the lesson," commented Dave Michaels, a client manager at Ramp Chevrolet. "They loved talking about the car seats they have and how they are learning to buckle-up themselves."

Ramp client manager Steve Brian added, "We hope that we planted a seed that will grow, not only with the children, but will also raise awareness of safety issues with parents as well."

Ramp also donated four pedal cars to the center for the children to continue to enjoy after the visit. The visit to Miss Mella's Footsteps to Learning Center was part of Ramp Chevrolet's ongoing community service commitment.

Ramp Chevrolet of Port Jefferson Station is Long Island's number-one volume Chevrolet dealer, Suffolk County's only General Motors "Mark of Excellence" dealer and Suffolk's only AAA- endorsed Chevrolet dealer. For more information, log onto www.rampchevy.com
