

## **Motorola Awards AVeL-TECH With An Automatic Vehicle Location Contract For The City Of Columbus, Georgia Police Dept.**

([PRWEB](#)) April 5, 2001 -- Motorola has awarded AVeL-TECH with an Automatic Vehicle Location contract for the City of Columbus, GA Police Department, a Division of Columbus Consolidated Government. AVeL-TECH will be providing the City of Columbus Police Department with AVeLNET Base(TM), AVeLNET RadioGATE(TM), and AVeLNET mapping for 54 of its 79 police vehicles being tracked.

The Columbus Consolidated Government's dispatch center serves all the Muscogee County Police, Fire and Ambulance Departments, dispatching approximately 198,000 calls and handling approximately 247,000 emergency 9-1-1 calls per year.

### **AVeL-TECH Background Information**

Based in Canada, AVeL-TECH designs and commercializes a complete suite of products for mission critical organizations, including computer aided dispatch (AVeL-CAD), automatic vehicle location (AVeLNET), message switch (RadioGATE) and vehicular applications (MobiCAD).

AVeL-TECH's products have been designed to conform to the highest standards set forth by public safety organizations requiring uncompromized robustness to handle uninterrupted life-saving operations.

The AVeLNET product line is modular and can be articulated around most operational requirements. AVeLNET is available in English, Spanish, Portuguese and French and is currently used by several Police, Ambulance, Fire departments and Governmental Agencies in North America, Latin America and Europe.

AVeLNET, AVeL-CAD, RadioGATE and MobiCAD are trademarks of AVeL-TECH Incorporated.
