

Detroit Area Luxury Transportation Service Expands Web Site. On-line Tools and Reservations Make Corporate Travel Services in the Detroit Area a Breeze.

([PRWEB](#)) December 18, 2000 -- November 22nd, Macomb, MI Â Brentwood Limousine, the Detroit areas finest luxury transportation and personal services company, is pleased to announce their new presence on the Web. The site, located at www.brentwoodlimousine.com is designed to be a complete solution for the Detroit area visitor or native looking for quality transport. The site features an on-line Â toolsÂ section that features valuable travel links, currency conversion, mileage distance and percentage calculators, UPS and Federal Express package tracking, and a host of other useful travel related tools.

The site also features on-line reservations that make Brentwood Limousine reservations and vehicle selection fast and easy, even for transportation needs anywhere in the world. Designed by Seattle-based marketing firms Creative Media and Visionaries Multimedia, the new Brentwood Limousine site is designed to grow with its customers. Â We wanted to present a site that was easy to use for our customers.Â Says Brentwood Owner Mark Grabow. Â A lot of our corporate clients are very web savvy, but we wanted to make sure that the novice or occasional web user would find great information and be a snap to use.Â

The company has also just reached an agreement with Music Express, one of the largest entertainment industry transportation firms in the world. With clients that include Kid Rock, The World Wrestling Federations The Rock, and Jaclyn Smith, the company is no stranger to catering to the many needs of VIP clients. The agreement between Brentwood Limousine and Music Express in combination with the new Web Site defines the company as the leader in transportation in the Detroit area.
