

MOTOROLA AWARDS AVE L-TECH WITH AUTOMATIC VEHICLE LOCATION CONTRACT FOR THE CITY OF JACKSON, MISSISSIPPI

([PRWEB](#)) July 16, 2000 -- Laval, July 12, 2000 - Motorola has awarded AVE L-TECH with an Automatic Vehicle Location contract for the City of Jackson, Mississippi. AVE L-TECH will be providing the City of Jackson with AVE L-NET Base(TM), AVE L-NET RadioGATE(TM) and in-vehicle mapping for its fleet of 70 vehicles.

The City of Jackson's dispatch center serves the Jackson Police, Fire and Ambulance Departments. It dispatches approximately 30,000 calls for service annually. It is located in Hinds County, Mississippi and has a population of approximately 200,000 people.

AVE L-TECH Background Information

Based in Canada, AVE L-TECH designs and commercializes a complete suite of products for mission critical organizations, including computer aided dispatch (AVE L-CAD), automatic vehicle location (AVE L-NET), message switch (RadioGATE) and vehicular applications (MobiCAD).

AVE L-TECH's products have been designed to conform to the highest standards set forth by public safety organizations requiring uncompromized robustness to handle uninterrupted life-saving operations.

The AVE L-NET product line is modular and can be articulated around most operational requirements. AVE L-NET is available in English, Spanish, Portuguese and French and is currently used by several Police, Ambulance, Fire departments and Governmental Agencies in North America, Latin America and Europe.

AVE L-NET, RadioGATE and MobiCAD are trademarks of AVE L-TECH Incorporated.
