

## **T3 Motion, Inc. Partners with Florida Gas & Electric Vehicles as Latest Distributor of T3 Patroller and T3 Vision Electric Vehicles**

*T3 Motion Increases Florida Distribution Channel with Pompano Beach, FL-based Florida Gas & Electric*

Brea, CA ([PRWEB](#)) December 22, 2015 -- T3 Motion, Inc. (OTC: TTTM), the global leader in the design and delivery of electric vehicles to the commercial, law enforcement, and security markets, announced the distribution partnership with South Florida-based electric vehicle sales leader, Florida Gas & Electric. The announcement signals the signing of the fifth Florida distributor for T3 Motion, Inc. clean energy patrol vehicles. Florida Gas & Electric, headquartered out of Pompano Beach, joins Golf & Electric Vehicles (Jacksonville, Orlando, Ft. Myers, and Naples) as T3 Motion distributors in the lucrative Sunshine State.

“The market for electric patrol vehicles is huge here in South Florida, between police agencies, security companies, malls, airports, and campuses. The opportunity to join forces with T3 Motion to promote the revolutionary all-electric T3 Patroller and T3 Vision is an ideal fit with our business model,” said Michael Ford, President of Florida Gas & Electric. “We have hit the ground running with the team from T3 Motion and look forward to many great successes in the future.”

“We are excited to partner with Florida Gas & Electric to distribute T3 Motion vehicles in South Florida,” said Noel Cherowbrier, C.E.O. of T3 Motion, Inc. “Florida is an extremely important market for T3 Patrollers and T3 Vision electric patrol vehicles. The year-round patrol environment in Florida is well-suited for T3s, whether it’s law enforcement, security, or military applications. We anticipate great things from the team from Florida Gas & Electric vehicles.”

About T3 Motion, Inc.:

T3 Motion, Inc. (OTC: TTTM) was founded in 2006 in Costa Mesa, CA and has become the global leader in clean energy, all-electric patrol vehicles for the Law Enforcement, Military, and Security markets. T3 Motion’s revolutionary patented T3 Patroller was the first electric multi-shift vehicle designed for professional applications with interchangeable batteries. Deployed at airports, military facilities, retail centers, campuses, business districts, and other high-profile locations, the T3 Patroller has quickly become the choice of public safety agencies around the world. T3 Motion, Inc. now also offers customers the T3 Vision, a smaller all-electric patrol vehicle with interchangeable batteries ideal for interior patrols.
