

Jay Hodge Chevrolet Opens in Sulphur Springs

Grand Opening Scheduled for March

([PRWEB](#)) February 14, 2016 -- Jay Hodge Chevrolet is now open in Sulphur Springs. The state-of-the-art dealership under the ownership of Jay Hodge opened early in January, with the Grand Opening scheduled for March 17th. With a background in automotive, Hodge commented, “We have enjoyed success providing big city conveniences with small town values, it is our commitment once again.”

The completed design of Jay Hodge Chevrolet totals 15,250 square feet. A modern showroom will feature an entertainment lounge, flat screen TVs, refreshment station and free Wi-Fi. The Service Center includes Express Oil Lanes for added convenience. The dealership will eventually have 30 employees.

“Everything – sales, service, parts, financing - is done with the customer in mind,” said Hodge, who is the 3rd Generation of his family in the business. “We want people to be able to drive in and out with ease and relax while they’re here. Car-buying is a fun experience and we wanted an environment that compliments it.”

You can visit the Chevrolet store online at JayHodgeChevy.com for sales, service, parts and more information. The all-new Jay Hodge Chevrolet is located at 478 Wildcat Way with sales and service open Monday through Saturday.
