

TRUCKSHARK ADDS COMPREHENSIVE CARRIER REGISTRY

Complete list of trucking companies joins ground transportation industry website.

PALO ALTO, CALIF. ([PRWEB](#)) July 28, 2001 - TruckShark®, the online trucking and logistics publication, today added a current directory of trucking companies to its website. The new resource is available free of charge on the Internet at <http://truckshark.com/truckingcompanies/index.htm>.

The directory provides the transportation professionals and logistics industry executives in TruckShark's readership with a useful, updated list of links to the websites of 195 carriers based in the United States and Canada.

TruckShark limits graphics on its website to photos supplied by advertisers, which makes it easy and fast to view. TruckShark is available free of charge on the Internet at <http://www.truckshark.com>.

About TruckShark

TruckShark®, the online trucking and logistics publication, features ground transportation directories and classified advertising. TruckShark is available free of charge on the Internet at <http://www.truckshark.com>. TruckShark is owned by Eureka Media, Inc., a privately held corporation based in Palo Alto, California.
