July 27, 2001: To expose a ring of corruption and murder, the author has made THE CONTRACT a free novel. The horror story is about a cult of deceit and coercion for staged fatal accidents. The killers are required to violate the victim's personal trust.

Insurance fraud and corruption combine. The liable party receives the proceeds of the wrongful death claim against themselves! A link is provided for interview on this subject by a former Texas Assistant Attorney General. <http://www.thecontract.artshost.co/homepage.html>

A free novel of staged fatal accidents in the Carolinas!
