

TRUCK BROKER DIRECTORY JOINS TRUCKSHARK

TruckShark, the online trucking publication, announced today that it has added a directory of truck brokers' websites to its online publication. Truck brokers can insure their inclusion on the list by visiting <http://truckshark.com/truckbrokers.htm>.

PALO ALTO, CALIF. (PRWEB) December 6, 2001 - TruckShark, the online trucking publication, announced today that it has added a directory of truck brokers' websites to its online publication. Truck brokers can insure their inclusion on the list by visiting <http://truckshark.com/truckbrokers.htm>.

TruckShark is made up of two principal sections: classifieds and directories. Classifieds include trucks for sale, trucking businesses for sale, and trucking real estate for sale, such as warehouses and truck terminals. TruckShark's directories are specialized lists of links to websites. The new truck brokers directory joins established directories for truck financing companies, truck dealers, and trucking real estate brokers.

Simple in design, TruckShark has been noted for its fast-loading pages and no-nonsense approach to providing useful information and opportunities for truckers, fleet managers, and logistics executives.

About TruckShark

TruckShark, the online trucking publication, provides truckers, fleet managers, and logistics executives with useful, no-nonsense industry information and opportunities. TruckShark is available free of charge on the Internet at <http://www.truckshark.com>. TruckShark is owned by SharkPage, Inc., a privately held corporation based in Palo Alto, California. Eureka Media, Inc. changed its name to SharkPage, Inc. in November 2001.
