

## **New at Summit Racing Equipment: JET Powr-Flo Throttle Bodies for Ford and Chrysler**

*Summit Racing Now Carries JET Powr-Flo Throttle Bodies for Ford Coyote and Mopar Gen III Hemi engines. They have a unique ribbed air inlet design that increases airflow velocity as it enters the intake manifold to help improve horsepower and throttle response.*

Tallmadge, OH ([PRWEB](#)) March 04, 2016 -- Summit Racing Now Carries [JET Powr-Flo Throttle Bodies](#) for Ford Coyote and Mopar Gen III Hemi engines. They have a unique ribbed air inlet design that increases airflow velocity as it enters the intake manifold to help improve horsepower and throttle response.

CNC-machined from aircraft-quality 356 aluminum, Powr-Flo throttle bodies are direct replacements for OEM. They have updated electronics preinstalled for a quick plug-and-play installation—no need to swap the electronic parts from your old throttle body. The throttle bodies are made in the USA.

### Applications

- 2005-12 Chrysler 5.7/6.1/6.4L Hemi
- 2005-10 Chrysler 3.5L V6
- 2011-14 Ford 5.0L Coyote
