

Trailer Wizards Rolls Out Fleet of New Mobile Service Trucks

Trailer Wizards increases customer uptime and technician safety with new efficient mobile vehicles

Mississauga, ON ([PRWEB](#)) March 01, 2016 -- Canada's leader in professional commercial trailer rental, leasing, sales, service, parts and storage, Trailer Wizards Ltd. announced the deployment of a new fleet of mobile service trucks. The service trucks will help to increase customer uptime by giving Trailer Wizards' technicians access to the latest technology and bring the shop to customer.

The fleet of new service trucks were designed with Trailer Wizards' customers' time and their technicians' safety in mind. They include the latest tooling and energy efficient technology, and are designed for improved technician safety. They feature more capacity, backup cameras, Bluetooth technology, curbside LED lighting, rooftop catwalk with safety harness, temperature control, and state of the art energy efficient technology.

"A lot of research, time and investment went into the right design," said Anne McKee, Trailer Wizards' chief operating officer. "With efficient design and new technology, our mobile technicians have the ability to bring the shop to our customers and get them safely back on the road faster than ever."

The new service trucks are currently in use in Ontario, Quebec and the Atlantic provinces with plans to roll out others to British Columbia and the Prairies later this year.
