([PRWEB](#)) January 11, 2002 -- A non-profit organization (Sickle Cell Anemia & Charity, Inc [SCAACI]) has developed a program to help auto dealers sell cars! SCAACI signs up dealers for this program as a fund raiser. According to SCAACI, the program will sell 25 - 100 cars per month for a dealership. It allows buyers to use income tax refunds to buy a car.

In addition to its sickle cell disease efforts, SCAACI is involved in helping needy families acheive home ownership. For program details, email skysoldier@prontomail.com or call 609-893-0619.
