*[Doc's Auto Clinic](#) proudly marks twenty years keeping vehicles safe and reliable in Steamboat Springs.*

Steamboat Springs, CO ([PRWEB](#)) March 10, 2016 -- Doc's Auto Clinic, an automotive maintenance, service and repair shop, is celebrating its twentieth year in business. "It has been a privilege to serve the Steamboat Springs community for the past two decades with all of its auto maintenance and repair needs," said Brian Small, owner of Doc's Auto Clinic. "We are part of the community, and have grown alongside Steamboat Springs."

In fact, adds Small, Doc's exists not only to fix cars, but to help strengthen the community. Since first opening its doors, it's been Doc's goal to provide the best auto care in the city, which is why they only hire ASE-certified mechanics, use only the best parts, and have the finest equipment and facilities.

"How can one expect to be the best if one doesn't invest in the best?" said Small. "We work hard to bring the best automotive service possible to the community."

In addition to taking care of local families by taking care of their cars, Doc's Auto Clinic participates in many Steamboat Springs events. This includes the city's annual Girls on the Run 5K, Partners Mentoring Youth in Routt County, and the Lorna Farrow Memorial Fun Shoot. Since 1997, Doc's has also been a sponsor of the [Town Challenge Mountain Bike Race Series](#).
