

## **Premier Trailer Leasing Expands West Coast Presence with Opening of Stockton, California Location**

*Premier now has five locations on the West Coast: Rancho Cucamonga, Los Angeles, Stockton, Portland and Seattle.*

Lewisville, TX ([PRWEB](#)) March 14, 2016 -- Premier Trailer Leasing, a leading provider of trailer rental and leasing assets, announced today it has opened a new branch location near Stockton, California. The Premier Stockton branch is located at 120 E. Equipment Court, French Camp, California. Premier now has five locations on the West Coast: Rancho Cucamonga, Los Angeles, Stockton, Portland and Seattle.

“Opening in Stockton furthers Premier’s commitment to the West Coast, and enhances our capabilities with our growing national customer base. We look forward to providing ‘A New Lease On Trailer Leasing’ experience to Northern California. That means quality equipment and advanced technology that saves fuel and increases productivity,” says Jim Aubuchon, Premier’s President and CEO.

### About Premier Trailer Leasing

Premier Trailer Leasing has over 30,000 units and 27 locations in 20 states, to service all our customers’ trailer needs. Our fleet is comprised of new and late model units with value-added services and equipment such as trailer tracking and CARB compliant devices. Premier has grown tremendously in the last 4 years from 11,000 trailers to over 30,000 trailers, acquiring: 53-foot air-ride plate vans, 48- and 53-foot rail lift-gates, refrigerated vans, flatbeds and tridem chassis.

We continue to invest in our customer facing systems and have created a web portal enabling our customers to access account information from a desktop computer or a mobile device. These services include: online visibility of trailer assets via Spireon® FleetLocate® trailer tracking, current rental equipment and rental history, trailer registrations, invoices, damage notifications with pictures and rental agreements.
