

## **AP Racing by STILLEN Radi-CAL Big Brake Kits Named Official Brakes of Bimmerfest 2016**

*AP Racing by STILLEN Radi-CAL big brake kits have been named the official brakes of Bimmerfest for 2016. AP Racing Radi-CAL big brake kits are a great performance and appearance upgrade for a range of BMWs, including 2016 models.*

Costa Mesa, California ([PRWEB](#)) March 19, 2016 -- Big brake kits are a popular upgrade for BMW owners who insist on ultimate performance from their driving machines. The BMW community has enthusiastically embraced AP Racing by STILLEN Radi-CAL big brake kits. The patented Radi-CAL calipers and J-Hook rotors deliver an unbeatable braking package equally suitable for street and track use.

No surprise then that AP Racing by STILLEN Radi-CAL big brake kits have been named the official brakes of Bimmerfest for 2016. Bimmerfest, considered the largest BMW enthusiast activity in North America, consists of two events—Bimmerfest 2016 in Fontana, Calif., and Bimmerfest East 2016 in New Jersey.

Bimmerfest 2016 will be held May 28-29 at the Auto Club Speedway in Fontana, Calif., and is expected to draw more than 4,500 BMW vehicles with over 10,000 people in attendance. Bimmerfest East will take place July 30-31 at Raceway Park in Englishtown, NJ.

“AP Racing Radi-CAL big brake kits are a great performance and appearance upgrade for a range of BMWs, including 2016 models” said Andy Somerville, marketing manager at STILLEN. “We currently offer big brake kits for over 80 BMW models, and we're proud of the rave reviews we get from owners.”

“Bimmerfest is the largest BMW enthusiast gathering in North America and we are excited to have AP Racing Radi-CAL by STILLEN as our Official Brake sponsor,” said Tim Jones, event coordinator for Bimmerfest. “AP Racing’s high performance brake kits are a perfect fit for BMW owners, and Bimmerfest is the event BMW owners don't want to miss.”

The organizers of Bimmerfest strive to maintain a grassroots flavor in order to welcome all cars, while exhibition vehicles can include anything from highly modified to classic cars.
