

## **42nd Annual Puyallup RV Show Presents Popular Options for RV Adventures & Leisure Opportunities**

*One of the premier recreational vehicle events in the Northwest is preparing for their 42nd anniversary! The last big RV event before summer, the Puyallup RV Show, unique with its featured manufactured housing, takes place April 28th through May 1st at the Washington State Fair Event Center in Puyallup.*

Puyallup, WA ([PRWEB](#)) April 20, 2016 -- Near record numbers of Americans are buying RVs and “second homes”, either on-wheels or not, to pursue more leisure options as the economy continues to rebound. “[The Puyallup RV Show](#) is terrific because it’s such a great venue. We’re able to present everything from tent and travel trailers to fifth wheels and toy haulers to rolling mansion motor homes and vacation homes that you can put on a lake”, says Dave Helgeson, MHRV show director. “There’s no question people will discover something to enhance any leisure dream they might have.”

Sixteen local dealers will display all of the latest new RV models. This event will also include on-site manufactured homes—great choices for your vacation home on the lake, an affordable retirement home or just your home base for RV adventures. For those looking for something a little more affordable, the show will have a “Used RV Corral” with pre-owned RVs.

This year, there will be a full line-up of seminars. Gary Bunzer, “The RV Doctor”, will be presenting several seminars including “RV Facts of Life”. MHRV Show Director, Dave Helgeson, will be conducting his very popular Boondocking presentation. Torklift will be offering a myriad of seminars on towing. Attendees can “Ask the Experts” about anything RVing or learn from the “Ask the Tech” presentation.

One dollar from every non-discounted adult and senior ticket sold at the box office will be donated to the financially-challenged Washington State Parks. WSECU is the presenting sponsor for the fifth consecutive year and is joining in with a matching dollar-for-dollar donation.

Attendees will be encouraged to enter to win a brand new, Jayco Bunkhouse Travel Trailer valued at almost \$22,500. For children, there will be a campfire where they can create s’mores and listen to “Tall Tales”. On Thursday and Friday, the first 500 people through the gate will receive vouchers for a free Fisher scone. To add to the fun, attendees who download the Show App can participate in a Scavenger Hunt where they can win a prize as they browse the show.

Parking is free at the Puyallup Show and attendees can save two dollars when they buy their tickets online at [PuyallupRVShow.com](#). Opening day, Thursday, April 28th, is “[Manufactured Housing Day](#)”, sponsored by DeTray's Custom Housing, Lakeview Meadows, Palm Harbor Homes and Skyline Homes. Attendees will receive an additional dollar off admission (\$3 total) when they purchase adult or senior tickets online for that day.

Show hours are 11am-8pm Thursday and Friday; 10am-8pm Saturday and 10am-5pm Sunday.
