

## **New Vendor to Join DealerVault's Network: L2TMedia**

*New Vendor to Join DealerVault's Network: L2TMedia*

La Crosse, WI ([PRWEB](#)) May 16, 2016 -- DealerVault is proud to announce the newest member of its Vendor Network – L2TMedia

DealerVault's Vendor Network allows third-party solution providers to actively support dealerships' desire to take back control of their data. This platform creates a win-win for vendors and dealerships alike. Dealerships are empowered with control over their data while utilizing the DealerVault tool at no charge, and Vendors support this desired effort. DealerVault is excited to have L2TMedia join them in their endeavor to revolutionize the automotive industry by putting dealerships back in control of their data.

"I would like to welcome L2TMedia to the DealerVault Network," said Stephen Cottrell, President and CEO of DealerVault. "These partnerships provide support for the industry as a whole, and together, we embrace transparency and dealer control of data. Thank you, L2TMedia, for joining the industry revolution, and welcome to the DealerVault Network!"

L2TMedia provides digital marketing solutions, including paid search, SEO, display advertising, video advertising, social media, paid social and reputation management. With this robust suite of digital products, L2TMedia has helped meet the changing needs of hundreds of auto dealerships by providing innovation, insights and results-oriented solutions. L2TMedia is a Google Premier Partner, Bing SMB Partner and Facebook Managed Partner. They are a certified provider for FCA, Ford, BMW and Toyota. For more information, visit [l2tmedia.com](http://l2tmedia.com).

### About DealerVault:

DealerVault is the first cloud-based system designed to empower dealerships with control over the syndication and distribution of their DMS data. Its easy-to-use, web-based platform allows dealerships to quickly setup, view and modify DMS data feeds. DealerVault provides dealerships with a solution to all pressing issues including security, compliance and the indemnification of a \$20 million cyber-liability policy. For more information, visit [dealervault.com](http://dealervault.com) or call 877-834-2451.
